

**Business and Professional Women
Hernando County, FL**

November 19, 2018

Dear Friend,

We are planning a Fundraiser to be held on Sunday, February 17, 2019 at Glen Lakes Country Club, Weeki Wachee, Florida. The proceeds from this event will go to our scholarship fund which provides scholarships to high school students from Hernando County and also women returning to school. This year we hope to increase scholarships and with your support we hope to be able to achieve our goals.

The Business and Professional Women's Organization was founded in 1919; BPW strives to achieve equity for all women in the workplace through advocacy, information and education. In 1965 BPW/FL created its Education Foundation to build scholarship houses on Florida university campuses to provide housing on campuses at Florida State University and Florida Atlantic University. BPW of Hernando County supports the Education Foundation as well as students within our own community of Hernando County by providing them scholarship awards raised at this Believe and Achieve Scholarship Event in February. .

We hope that you will help us to continue to provide the scholarship rewards and consider making a donation for our Raffles.

Sincerely,

Dorothy Baudry
