Dear Guidance Counselor/Scholarship Liaison:

I am writing on behalf of the Business and Professional Women of Hernando County. Annually, we provide the opportunity for female high school seniors and returning students of a college to apply for one of our \$1,000.00 scholarships. Enclosed you will find the application. Please make this information available to your students and encourage those that meet the criteria to apply.

I would greatly appreciate it if you could notify me by email that you have received this packet of information and provide any update in contact information if necessary.

Thank you for your distribution of the scholarship information.
